## BIRCHGROVE TENNIS CENTRE ACTION PACKED

### CLUBHOUSE RENOVATION

The DA went through Council without a problem so hopefully it won't be long before something starts to happen. I won't hold my breath though.

### OVAL CAPITAL WORKS

The view of the harbour is partially obscured at the moment due to screening which has been erected for the works at the oval. A new amenities block and a storage facility is being built and excavation will take place under courts 1, 2 and 3 to accommodate it. Fingers crossed there are no problems with the courts.

### CREDIT FACILITY

#### Don't Forget!

We now have a credit facility at the courts. However, this can only be used for lessons, Pro Shop and anything else pertaining to Terry Rocavert Pty Ltd.

**No court hire can be paid via credit card** as we are a separate entity to Ryde Balmain Tennis who don't use credit.

### COURT HIRE

All permanent court hire should have been paid by now. Could all outstanding hirers please get their payments up to date and don't forget to put the booking name and/or invoice number on the transaction when paying.

### RYDE BALMAIN ANNUAL TENNIS CHAMPIONSHIPS

These championships are open to everyone including court hirers, those coached and who play comp. There are adult events and junior events and a time draw is issued for matches. The event will be held over 2 Sundays 6<sup>th</sup> and 13<sup>th</sup> March, 2016. **Entries close Sunday 28<sup>th</sup> February. Entry forms are in the clubhouse.**

### COACHING AND COMP

Our coaching and matchplay have expanded this term and everything is going well. As is the Saturday Junior Comp. The centre has a great feel about it with so many people using it.

### BIRCHGROVE CHALLENGE

This adult comp recommences Saturday 27<sup>th</sup> February 1.30 to 4.30pm Saturdays, consequently casual court hire will be more difficult.
