TENNIS DURING THE COVID-19 PERIOD

There have been dramatic changes to tennis at Birchgrove during this period. Luckily tennis is allowed however, singles only. The public has been amazing in abiding by this rule. Consequently, the courts are pumping and lots of new people have discovered the beauty of our sport.

TENNIS LESSONS

Term 3 children's lessons had to be suspended and at this point we don't know about term 4. However, lessons have proceeded for some children and adults. Either in a one on one or two on one format. This has been good news for the coaches.

TENNIS CAMPS

Unfortunately, I don't think there'll be any tennis camps in the September school holidays given that children won't be back at school until mid October. So at this point tennis camps will be: 20th to 23rd December, 2021 and 3rd to 6th January, 2022 and 17th to 20th January, 2022. All camps are 4 mornings 9.30 to 12pm. Cost \$170

ARLO SIM

This week I was lucky to have a surprise visit from local boy Arlo Sim who is currently performing on "The Voice" under the guidance of Keith Urban. Arlo is also a keen tennis player so we may see him playing at the courts some time. He is a very impressive and talented young man currently studying at the Conservatorium of Music. Good luck Arlo!!

COURT BOOKINGS

Bookings are made through the website and currently the courts are extremely busy. So if you want a court, please think ahead so as not to be disappointed. Permanent bookings are available however, I need to be emailed so I can issue a quarterly invoice. Stay Safe everyone! Kay Rocavert
